## DOUG ELGIN

(Lafayette '73)  
Missouri Valley  
Conference  
Commissioner

Doug Elgin is in his 15th year with the Missouri Valley Conference as the longest-serving commissioner for a league which will become only the second collegiate athletic conference to celebrate a centennial year, in 2006.

One of the nation's top athletic administrators, Elgin has led the St. Louis-based conference to unparalleled heights since being named the league's ninth commissioner on May 17, 1988.

The Conference has firmly established the city of St. Louis as a permanent neutral site for the men's basketball tournament. Under Elgin, the Conference office staff also has attracted and played host to an unprecedented series of NCAA men's and women's basketball tournament events in St. Louis.

Since 1993, the Valley staff has managed five NCAA basketball events in three different sporting venues in St. Louis, including three men's Midwest Regionals (1993, '98 and '99), a men's first- and second-rounds (2002) and the NCAA Women's Final Four (2001). All-time NCAA records for gross receipts and attendance were set by the Valley in hosting the 1999 and 2002 events, and in 2001, the Conference played host to the Women's Final Four, with league-member Southwest Missouri State representing the Valley at Savvis Center.

Elgin will head the St. Louis Organizing Committee during the next three years as the league prepares to play host to two more NCAA men's basketball tournament events — the 2004 Midwest Regional and the 2005 Men's Final Four. All told, the Valley and its local partners will stage six NCAA tournament events in St. Louis in an eight-year period (1998-2005) once the Men's Final Four is conducted.

Elgin recently completed a four-year term on the NCAA Division I Men's Basketball Committee and was the first Valley representative ever to serve as a member of that prestigious group. He also has served previously on the NCAA Final Four Media Coordination Committee and the NCAA Communications Committee.

During a 27-year career in intercollegiate athletic administration, he has served in a variety of capacities at four schools and in two conference offices. His career path included stints as sports information director at Miami-Dade Community College South (1976-77), Lafayette College (1977-80) and the University of Virginia (1980-83) before joining the Sun Belt Conference (1983-88), where he was assistant commissioner.

A native of Hagerstown, MD, Elgin is a 1973 graduate of Lafayette College. He earned a master's degree in Sports Administration from Ohio University in 1975. He and his wife, Melaine, reside in Ballwin, MO, and have six daughters — Lisa, Jessica, Julie, Anna, Emma and Mary.

The new millennium brings challenges for college sports programs, but The Missouri Valley Conference continues to lead by example as one of college athletics' most progressive conferences. Now in its 96th year of existence, the Missouri Valley Conference emphasizes the importance of the student-athlete and is aggressive in its approach to provide opportunities for its member institutions.

Since its inception in 1907, the Missouri Valley Conference has been regarded as a leader by its peers among today's collegiate athletic conferences. Based in St. Louis since 1985, the Conference has been assertive in its approach to playing host to NCAA basketball championship events, producing a revenue-generating in-house television network, bidding out the right to play host to several sport championships, and landing title sponsorships for those events.

Under the direction of J. Douglas Elgin, the ninth commissioner in Valley history, The Valley has played host to the 1993, 1998 and 1999 NCAA Division I Men's Basketball Midwest Regionals, the 2001 NCAA Division I Women's Basketball Final Four and the 2002 NCAA Division I Men's Basketball First/Second Rounds. In fact, The Valley plays host to two NCAA men's basketball events in the next three years.

On June 25, 1998, The Valley and the St. Louis Local Organizing Committee were tabbed by the NCAA Division I Men's Basketball Committee to play host to the 2005 Final Four (April 2 and 4) at the Edward Jones Dome. Along with the 2005 award, The Valley will serve as host for the 2004 Midwest Regional at the Edward Jones Dome.

The oldest athletic conference west of the Mississippi River, The Valley has been cutting edge in the area of its television network. Beginning in 1993-94, The Valley took its television network in-house and began to produce, syndicate and sell a televised package of regular-season and tournament events for distribution on local broadcast and national cable networks. The Valley Television Network includes a package of more than 30 men's and women's basketball games and selected other tournament championship events that air on ESPN, ESPN2, Fox Sports Net, and on statewide cable systems and local broadcast stations throughout the Midwest.

Starting in 1995-96, the Conference broke new ground by bidding out the right to play host to its volleyball, women's basketball, softball and baseball championships. By establishing uniform host criteria, the Conference is able to assist a host institution in a season-long promotional campaign and provide an avenue where hosts can acquire a title sponsor and achieve a profit for the event.

Continuing in 2002, the Conference's women's and men's soccer championships will be held at a neutral site — SportPort in St. Louis, Mo. — for the third-straight year, with Iron Kids Bread — a division of the Sara Lee Bakery Group — serving as the title sponsor for both events.

The seeds for this vision were planted by eight administrators representing five institutions, who gathered at the

Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more schools — Drake University and Iowa State College — were admitted.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's tennis and women's volleyball.

This season, the league will conduct its 92nd outdoor track and field championship, its 85th tennis championship, its 49th baseball tournament and its 65th golf championship for the men. Those programs, plus other current sponsored sports of cross country (44 years), indoor track (36), soccer (12) and swimming and diving (9), have helped solidify the Missouri Valley Conference as one of the most respected conferences nationally.

Athletic accomplishments on the men's side include four national basketball championships, 17 trips to the NCAA Men's Basketball Final Four and a 1989 national baseball championship. In 2001, Southwest Missouri State added to The Valley women's accomplishments, as the Lady Bears advanced to the Women's Basketball Final Four in St. Louis.

The Valley student-athletes and coaches have become household names during the league's illustrious history, both during their collegiate careers and, for some, professional careers. The Valley, which has a storied past, began honoring that tradition in the summer of 1997, when the Conference began its athletics Hall of Fame. Hersey Hawkins of Bradley, Larry Bird of Indiana State, Wes Unseld of Louisville, Coach Henry Iba of Oklahoma State, Dave Stallworth of Wichita State, Ed Macauley of Saint Louis and Oscar Robertson of Cincinnati were members of the initial induction class. A total of 25 former players, coaches and alums dot the league's Hall of Fame.

The inclusion of women's programs under the Valley banner — the nation's second-oldest collegiate athletic conference — has provided an immediate boost. The Gateway Collegiate Athletic Conference — which began in 1982 — merged with the Missouri Valley Conference and was unveiled as part of the new conference on July 1, 1992.

The 2001-02 academic year was, arguably, one of The Valley's greatest, as the league received a total of four at-large bids to NCAA championships — one each in men's soccer, men's and women's basketball and baseball — and sent four teams — men's soccer, women's volleyball, men's basketball and women's basketball — to the round of "Sweet Sixteen" in their respective NCAA championships.

The 2003 Missouri Valley Conference men's basketball tournament – the 13th men's championship to be played in St. Louis – will feature all 10 league schools for the sixth consecutive year. Since moving the tourney to St. Louis in 1991, the event has been played in three venues – Kiel Auditorium (1991), Saint Louis Arena (1992-94) and The Kiel Center (1995-2002), now named the Savvis Center.

In 2003, the men's post-season tournament – uniquely known as "Arch Madness" during its highly successful 12 years in St. Louis – begins with two first-round games on Friday, March 7.

The first game in the Friday session will feature the eighth-seeded team versus the ninth-seeded team, with the winner squaring off against the top seed in the first

quarterfinal session on Saturday, March 8. Game two on Friday will match the seventh-seeded team against the 10th-seeded, with the winner playing the second-seeded team on Saturday.

The rest of the tournament on Saturday will feature the fourth-seeded team against the fifth-seeded squad 24 minutes following the completion of the game between the top seed and the winner of the eighth-ninth seed game. The third-seeded team will play the sixth-seeded team 24 minutes upon completion of the game between the second seed and the winner of the seventh-10th seed game. The tournament semi-finals will be played on Sunday, and the championship game will be televised live on ESPN on Monday, March 10.

## MICHAEL DAUGHERTY

Strength and Conditioning Coach

Michael Daugherty, Assistant Strength and

Conditioning Coach at Brigham Young University, was named UNI's Coach in August. He replaced Jim Kramer, who resigned earlier in the summer to become Coordinator of Strength and Conditioning at the U.S. Olympic Training Center in Colorado Springs, CO. Kramer had been at UNI since 1997.

Daugherty had been an assistant at BYU since 2000, where he had direct responsibility in the programs of women's basketball, gymnastics, men's and women's tennis, cross country and men's track and field. He also had daily supervision in football and Olympic sport workouts.

Prior to his position at BYU, he was a volunteer assistant at West Virginia from 1999-2000, a graduate assistant from 1998-99, and an intern from 1997-98. From 1996-97, he was an Exercise Specialist with Nova Care/Mercer Bucks Sports Rehabilitation and a teaching assistant at Noll Physiological Research Laboratory and Exercise Science Laboratory at Penn State from 1995-96.

Daugherty received his bachelor's in Exercise and Sport Science from Penn State in 1996 and his master's in Athletic Coaching with an emphasis in Strength and Conditioning from West Virginia in 1998.

He's a NSCA Certified Strength and Conditioning Specialist and is Collegiate Strength Coach Certified.

## DANIEL BANKS

Assistant Strength and Conditioning Coach

The UNI Strength and Conditioning program is a blend of science, technology and one-on-one attention to each athlete.

Throughout the year, UNI athletes can spend more time working on strength and conditioning than any other aspect of their game. During the off-season, athletes work on strength improvement, speed, power, agility and conditioning. The in-season program is devoted to continuation of strength gains and performance-related conditioning.

Throughout an athlete's first year on campus, baseline measures of strength, speed, power, agility, flexibility and endurance are collected. Measure of body composition and weight also are recorded. With this information, goals are set for development and maintenance.

## COLLEEN HEIMSTEAD

### Compliance/Life Skills Coordinator

Colleen Heimstead assumed some of the additional duties of academic advisor this fall with the resignation of Vicki Melnick in September.

Heimstead also is in her third year as Compliance/Life Skills Coordinator after serving eight years as a UNI assistant women's basketball coach.

She came to UNI in 1992 as a graduate assistant and one year later, was elevated to full-time status. She was the only coach retained in 1995 when Tony DiCecco was hired to lead the women's program.

Heimstead was a four-year letterwinner at Southern Illinois, from 1988-92. The two-time captain played on two Salukis NCAA tournament teams. She received her Biological Sciences degree in 1992. She's a native of Elk Mound, WI.

## LIFE AFTER BASKETBALL

"I remember setting foot into my first college classroom, Spanish 101, in the Old Aud building, naïve to the college life and apprehensive of the hurdles I would face. I felt very similar feelings the first time I stepped out onto the court at the University of Alabama for my first Division I basketball game. I managed to survive both tests and within a blink of an eye, four years had passed and the experience forever changed me. Balancing student and athlete were difficult, but also very rewarding. Professors opened my eyes to different ideas and subject matters. Basketball allowed me to see the country and also to play against future NBA All-Stars. Four years later, the naïve student and apprehensive athlete had learned the importance of time management, prioritizing projects, and that hard work is rewarded. A deep loyalty developed between myself and the University that still exists today. I walked off campus, cherishing every moment, reluctant to leave. However, the naïve freshman was now a much more rounded and confident individual, eager to take on the real world, courtesy of UNI."

**Jay Block, Class of 1984, Subrogation Examiner, American Family Insurance**

"Playing basketball for, and attending the University of Northern Iowa, taught me many life lessons in a very comfortable and nurturing environment. UNI is definitely a place that I attribute a great deal of my growth in character, and development of much of my achievement motivation, to. The coaches and support staff are extremely nice and they are an extension of the tremendously supportive nature of what everyone has come to expect from an Iowan. My initial perception was reality with regard to the University of Northern Iowa truly caring for the student and the athlete. It is easily one of my life's treasured times."

**Dr. Kevin Bradford, Class of 1983, Assistant Professor of Marketing, College of Business Administration, University of Notre Dame**

"I have great memories of my days as a student-athlete at UNI. I received a quality education which prepared me for life after college as well as made many life-long friends. As a basketball player, I learned the value of hard work, playing as a team, and fundamentals. There is absolutely no doubt in my mind that my days at UNI had a big influence in helping me where I am today."

# MEET THE STAFF

*"He's a great coach. He's really got us believing in the system and playing hard, and we're winning because of it. It's been a great fit for the guys...and I'm sure it will be for a lot of years to come."*

**-Chris Foster, UNI sophomore guard, 2001-02 MVC All-Freshman Team**

A new era in the University of Northern Iowa men's basketball program began April 3, 2001, when former UNI player Greg McDermott was hired as the 20th head coach in UNI history. McDermott, who turns 38 years old on Nov. 25, spent the 2000-01 season as head coach at North Dakota State and the previous six years as head coach at Wayne State (NE) before coming to UNI.

"Dreams do come true. In my mind, I am the luckiest man alive," McDermott said at the press conference announcing his appointment. "When we win a Missouri Valley (Conference) championship, which we will, then all my dreams will come true."

UNI Director of Athletics Rick Hartzell said, "I have been able to hire over 40 head coaches during my time as a director of athletics. Never have I had anyone come more highly recommended than Greg. People consider him an up-and-coming superstar in the coaching profession. On top of that, he is a Panther through and through and we needed that pedigree in this position in the worst way. I am positive that Greg will be a great head coach for the Panthers. With Greg in place, we are poised to have championship years across the board very soon."

McDermott's charge upon being hired was to rebuild a program that hadn't had a winning season since 1996-97. The task didn't frighten him away — after all, this wasn't the first time he found himself in the role of dragon slayer. However, he never would describe himself as a very patient person. There were six seniors on his first UNI roster, and he truly hoped those players would leave their collegiate careers with some taste of success.

"Our staff owes it to (the players) to try to be as successful as possible," McDermott said, "and not look at next year as a year to get over with so we can get on with the program."

The Panthers may not have slain many dragons in 2001-02, but they definitely got a few monkeys off their backs and made the other teams in the conference stand up and take notice. UNI finished 14-15 overall and placed seventh in the MVC with an 8-10 mark after being picked to finish 10th. It jumped out to a 5-2 mark heading into the league race, defeating 11th-ranked Iowa along the way. It took a 4-0 lead in the conference race, picking up its first wins ever on the road at Bradley and at Indiana State, while defeating defending league champion Creighton at home.

The league coaches and media respected the job McDermott did in his first season so far as to vote him fourth in the balloting for Coach of the Year honors.

"It's hard to believe the first season is over," McDermott said. "It went extremely fast, which is usually a good sign. As we look back on it, we're

proud of the way the players competed, the way they accepted the new coaching staff, the new style of play. The seniors were remarkable. We had a plan when we arrived as to how to improve the program. We believe we're ahead of the pace we set. To win eight games in the Valley, basically playing only five to seven guys, I think we're right on task. We have a better feel as a coaching staff where we have to get, we have the pieces in place."

McDermott began his coaching career as an assistant at North Dakota from 1989-94. During his tenure, the Fighting Sioux made five consecutive NCAA Division II Tournament appearances, were ranked no. 1 in the final 1991 NCAA poll, earned two North Central Conference and North Central Region Championships, and compiled a 126-37 record.

Wayne State College took a chance on this up-and-coming force in the coaching ranks when it hired McDermott as head coach. His first team in 1994-95 captured just the school's second winning season in 17 years with a 14-13 record, a hint of good things to come. WSC won 116 games over six years against only 53 losses while setting single-season records for wins and appearing in numerous NCAA tournaments.

McDermott's journey to UNI ended with a one-year stint at North Dakota in 2000-01. The Bison finished 15-11 overall and defeated three Top 25 opponents on the road.

McDermott's lessons in the game of basketball began in his hometown of Cascade, IA. He became interested in the game at a young age, playing with his four brothers — two younger and two older. Out-sizing the other players in the conference in high school, he pretty much had things his way. His senior year, he was named fourth team all-state by the Des Moines Register in basketball and was named Most Valuable Player of the 1983 Dr. Pepper All-Star game played in the UNI-Dome on the UNI campus. He also pitched and played first base for the Cougar high school team.

Not highly recruited, he was thrilled to come to UNI after seeing the school and meeting the players and coaching staff, including then head coach Jim Berry. McDermott played two years for Berry, then two years for Eldon Miller. He red-shirted his first year after coming down with mononucleosis.

"I couldn't have played for two better coaches or two better people in my five years at Northern Iowa," he said. "I wouldn't have been a Panther if it weren't

for Coach Berry — he got this thing off to a great start. Coach Miller came in my last two years and obviously, I learned about character from Coach Miller and how to teach the game of basketball."

McDermott's 1,033 career points currently ranks 22nd on UNI's all-time scoring chart. As a junior, he ranked 16th in the nation in field goal percentage (.587). He shot even better his senior year (.603). He led the Panthers in shooting three straight years, when he had a combined .595 percentage. As a junior, he ranked first in the Association of Mid-Continent Universities in field goal percentage, fifth in blocked shots, seventh in rebounding and 10th in scoring. As a senior, he was third in the league in field goal percentage and fourth in free throw percentage.

He was named second team all-conference as a junior and was a team co-captain as a senior. He also was a pre-season honorable mention all-American in 1987-88.

As a Panther, he played in 110 games, shot a career field goal percentage of .581, a career free throw percentage of .743, and averaged 4.4 rebounds and 9.4 points.

Upon graduation, McDermott played one season for the BCKZO Basketball Club in Wetzikon, Switzerland.

Though he has lived and coached in surrounding mid-western states, McDermott firmly believes the Panthers can win with a roster built primarily around Iowa high school players.

"We're going to do everything possible to build the core of our team from the high schools in the state of Iowa," he said upon his appointment. "I believe there is quality here. There are too many kids leaving the state to go play elsewhere. That's not to say we won't fill specific needs from the surrounding areas, but I recruited 15 Iowa players when I was in North Dakota and Nebraska. My staff and I are going to try to keep players in-state and at the University of Northern Iowa. Some of the best teams throughout the history of Northern Iowa basketball have been comprised of Iowa players.

"(Wife) Theresa and I and our family are really looking forward to becoming part of (the Cedar Valley) community and getting (fans) excited about Northern Iowa basketball, and that is our job," he added. "I think when you see our players on the floor and the way they act and the way they approach the game, I think you'll be excited to follow us.

"If you look at the kids we've signed, they want to be at Northern Iowa," McDermott said. "They had other options and opportunities, but this is where they want to be. If that's the case going in, you have a lot better chance to be successful with those people, not only on the basketball floor, but in the classroom and community."

## DON'T TAKE OUR WORD FOR IT

"He was just a super young guy who got along with everyone. He was very knowledgeable about the game and he had a great rapport with his teammates and boosters."

—Jim Berry

Former University of Northern Iowa Head Coach

"Greg had great leadership qualities in high school. The kids really rallied around him. He was a good competitor, was tenacious and tough-minded. Those are all qualities that transfer well into the coaching field. I would say he always had the qualities to become a coach."

—Al Marshall

Former Cascade (IA) High School Head Coach

"It didn't take me long to figure out what he wanted to do. I knew he would be a coach. He had a very good understanding of what was going on, as good as anyone I had ever worked with. He was not blessed with a lot of speed, but was very sound fundamentally. He's gone out in the profession and flat out gotten it done. He has won consistently. He was a tough, great competitor, one of those guys that bleeds purple and gold. He loves (UNI). It makes me feel good that one of my guys comes back. He's Coach (Jim) Berry's guy, too. He's the one that got him here."

—Eldon Miller

Former University of Northern Iowa Head Coach

"He knows his basketball, and you just have a lot of confidence in him. When he steps on the court, you know he's usually the better coach out there... He gave me the confidence that I could run the team as a freshman and still be a scorer as well. I think he's one of the best coaches out there. If anybody can turn a program around, he'd be a good one to do it."

—Ben Nemmers

Former Cedar Falls (IA) High School Player, Current North Dakota State Player

"He asked a lot of his players, he really did. But the thing is, he was a coach and a teacher, and if you had a problem in the classroom or with a girlfriend, then he was a friend, too. Once you're in his program, you're one of his kids. He's not only going to help UNI and the basketball program, but he's going to help the community. He could have run for mayor (Wayne, NE)."

—Curt Woodin

Former Waverly-Shell Rock High School Player, Former Wayne State Player

"He brings a lot of enthusiasm and a great attitude to the team. He's a good confidence builder. And he knows his X's and O's."

—Aaron Middendorf

Former University of Northern Iowa Player

"Pay him more, give him more perks, chain him to the Bison Sports Arena. Whatever. Just keep him in Fargo and out of Cedar Falls, Iowa. This guy is a winner and he is the coach who can finally turn (North Dakota State University) men's basketball into a sustained winner... Hiring McDermott would be a no-lose situation for (UNI) AD Rick Hartzell."

—Mike McFeely

The Forum

"I chose UNI because of the great sense of family that this team and coaching staff gave me. I am excited to play for Coach McDermott. He is the type of coach that treats his players well and at the same time pushes them in a way to reach their full potential."

—Jon Godfred

Fifth Year at UNI

Ron Smith joined former Head Coach Sam Weaver's staff four seasons ago and was retained by current Head Coach Greg McDermott.

"The decision to retain Ron is the single best thing I've done since I've been (at UNI)", McDermott said. "He's been a tremendous resource for me. His experience in the Missouri Valley

Conference has been a great help to our entire coaching staff. He's a perfect fit."

Prior to being appointed at UNI, Smith spent four years as Athletic Director and head basketball coach for Alton Community Unit School District. The district was comprised of 19 schools and about 8,000 students. His responsibilities included coordinating all athletic activities for 20 different sports and over 100 teams. Prior to his arrival in Alton, the varsity basketball teams had only one winning season in the previous eight. Smith's last team recorded its third consecutive winning record, setting a school mark for most wins in three consecutive years (63). The 1997 team advanced to the state tournament for the first time in 42 years, and only the third time in school history. His overall record at Alton was 74-40.

Prior to taking the Alton position, Smith spent nine years as an assistant at Southern Illinois and was part of a staff which turned one of the worst programs in the Missouri Valley Conference into one of the best programs. His last six years in Carbondale were highlighted by six consecutive post-season tournament appearances and three Valley titles.

The Benton, IL, native spent four years as an assistant basketball coach at Benton High School before accepting the SIU position, which included acting as academic advisor.

After graduating from Benton in 1972, Smith spent two years at Rend Lake College before transferring to Illinois State, from where he graduated in 1976. He earned his master's in Guidance and Educational Psychology from SIU in 1983. He joined Rich Herrin's staff at Benton in 1981 after serving as head coach at Coulterville High School for five years. While at Benton, the teams were 103-22 overall and Smith's junior varsity teams posted an overall 43-6 record.

Smith was named one of the Outstanding Young Men in America in 1987 and was a sponsor for the Fellowship of Christian Athletes chapter at SIU. He was selected as an assistant coach for the 1998 Illinois

## Chapter Two Opens Under McDermott

Chapter One of the Greg McDermott era in 2001-02 set the scene for the future of the University of Northern Iowa men's basketball team. Chapter Two in 2002-03 should provide a little more excitement, a little more intrigue.

The Panthers certainly exceeded all expectations a year ago. Picked to finish 10th in a pre-season poll of head coaches, sports information directors and media, they stunned the Missouri Valley Conference by jumping out to a 4-0 lead in the league. UNI won for the first time ever on the road at Bradley and Indiana State, defeated defending champion Creighton at home, and up-ended 11th-ranked Iowa. A lack of depth, size and speed eventually wore the team down, however, and it finished 14-15 overall and placed seventh in the MVC with an 8-10 mark. Still, those 14 wins doubled the entry in the previous year's win column.

The casual fan may admit to being a bit leery about the Panthers' chances on the court this season. After all, the team loses eight players from last year's squad, including three of its top five scorers. Counted among the losses are leading scorer Robbie Sieverding and second-leading rebounder Aaron Middendorf, in addition to defensive specialist Erik Smith.

UNI does return six players, including two starters. But here's where the intrigue comes into play. Those six players will be joined by five redshirts, including three transfers, and four new faces, including three true freshmen.

The six returning players made up just 333 of UNI's 699 field goals, 75 of the team's 217 three-pointers, 164 of the 441 free throws, 905 of the squad's 2,056 points, 362 of the 853 rebounds, 134 of the 383 assists, 26 of the 50 blocked shots, and 84 of the team's 205 steals.

Don't put the book down, yet. The returning starters include 6-6 forward David Gruber who led the Panthers, and the conference much of the season, in rebounding with a 7.2 average. He was the team's second-leading scorer with a 12.8 average and made 61 percent of his field goals.

Sophomore guard Chris Foster averaged 12.6 points, led the team in steals with 1.4 per game, and was second high in assists with a 2.6 average.

The four other returning players averaged just a combined 7.3 minutes, 1.8 points and 0.9 rebounds. Sophomore forward Matt Bennett averaged 10.4 minutes, 2.6 points and 1.2 rebounds in his first season. Senior forward Blake Anderson averaged 2.3 points and 1.6 rebounds in 9.4 minutes per game. The other two veterans are senior walk on guards Ryan Paulsen and Josh Wright.

Yes, there will be a lot of new blood on the Panther court this season, but five of the newcomers practiced with the team last year. Thirteen members of the squad stayed around Cedar Falls over the summer to work out and they made the 75-mile trip to North Liberty twice weekly to compete in the Prime Time League. The commitment was made to take UNI basketball one step further.

"We've had a year to recruit some depth, so that

will be an area we will see improvement," McDermott said. "We'll have more bodies competing for playing time at every position, which was not the case last season."

"On the flip side, we basically have only three scholarship players in Chris Foster, David Gruber and Blake Anderson with any Division I playing experience," he added. "Although I think we have a chance to be more talented from top to bottom, we're certainly going to be young and inexperienced."

### FORWARDS

The Panthers lose Trey Austin and Aaron Middendorf in the front line. Austin averaged only 4.6 minutes in 21 games, while Middendorf was the team's second-leading rebounder (5.3) and fifth-leading scorer (10.0). Returning players include sophomore small forward Matt Bennett, UNI's most productive player off the bench after averaging 10.4 minutes and 2.6 points as a true freshman in all 29 games; and senior Blake Anderson, who averaged 9.4 minutes and 2.3 points.

Bennett shot 40.6 percent from the field, but a higher 45.8 percent from beyond the arc (11-24). He hit some critical shots in his limited playing time, including a three-pointer with four seconds left in the half against Southern Illinois, giving UNI a 32-29 lead at the break. The Panthers went on to win the game. His three-pointer with 10 seconds left in the half in UNI's 77-71 win at Drake put UNI up 38-32.

"Matt was able to get some valuable playing time," McDermott said. "He was shooting the ball as well as he had all season at the end of the year. Hopefully, some of that confidence will carry over into a great sophomore season."

Anderson provided quality minutes a year ago and the staff is hopeful that his play over the summer and the year in the system will only increase his comfort level.

New players vying for playing time include redshirt freshmen Adam Jacobson and Michael Miller, true freshman Dusty Jura and Morningside transfer Matt Schneiderman.

"Adam has added strength during his redshirt season," McDermott said. "He's a very skilled player. It's just a matter of him getting strong enough to play at this level. He's been working very hard to make that happen. Dusty gives us the flexibility to play some at the small forward and at the power forward. He has strength, a great feel for the game, and plays extremely hard and competes on every play."

"Matt (Schneiderman) probably was one of our most consistent players in practice last year. He has the ability to shoot the ball from the perimeter to go along with a great feel for the game around the basket. He gives us an inside-outside weapon in the interior that we didn't have a year ago. We're expecting big things out of Matt."

Though the Panthers have added size with the addition of 6-7 Schneiderman, McDermott says they could put a smaller lineup on the floor and play 6-2 true freshman Ben Jacobson at the small forward "to give us a three-guard look we had on the floor the

Matt Bennett

majority of the time last season. Part of that will be dependent upon how well some of the other players perform."

Adam Jacobson, a second team all-stater, averaged 23 points and seven rebounds his senior year at Shanley High School in Fargo, ND. Miller was a McDonald's All-American nominee at Ames (Iowa) High School, where he averaged 18.2 points and 10.9 rebounds. He was named first team Iowa Newspaper Association and Des Moines Register all-state and was selected to the 26th annual Goalsetters All-Star Game.

Jura was a first team all-class all-stater last season while playing at Lakeview High School in Columbus, NE. The Nebraska Player of the Year finalist averaged 18.5 points and 8.6 rebounds. Schneiderman was a first team all-North Central Conference pick at Morningside while leading the Mustangs in scoring (14.9), rebounding (5.5) and shooting 55.9 percentage (19-34) from beyond the three-point arc.

### CENTERS

The Panthers lose just true center Octav Morariu, who averaged only 5.5 minutes in 25 games played. Junior David Gruber, a 6-6 transfer from Kirkwood Community College, played the post a year ago, leading the team with a 7.2 rebounding average and shooting a very respectable 61 percent from the field. He was named to the league's All-Newcomer Team and honorable mention all-conference.

"David obviously had a great season last year and he continues to improve," McDermott said. "He's been working hard on his perimeter game. He needs to have the ability to step out and hit the 17-foot jump shot, put the ball on the floor from the perimeter, and just get more comfortable handling and passing the ball. We will have additional options in the post this

year which will allow us to step David away from the basket. We're excited about what he's going to bring to the team this year. His leadership has been outstanding. He's going to be a key component of our team."

Utah transfer Jon Godfread becomes eligible this season. The tallest member of the squad at 6-10, he redshirted his freshman season and had to sit out last season. A native of Grand Forks, ND, he was the 1999-2000 Gatorade North Dakota Player of the Year and was a first team all-state selection after averaging 20.3 points and 10 rebounds at Red River High School.

"Jon is tremendously skilled for someone his size," McDermott said. "He has the ability to pass the ball, to shoot the basketball and he handles the ball very well. Like Matt Schneiderman, he has the ability to step away from the basket and shoot the ball from three-point range."

"In addition, he is fundamentally sound around the basket. He's good with both hands. His feel for the game is tremendous. Due to the fact he has not played since high school, we need to get him as much experience as we can early. He's worked extremely hard his two redshirt seasons to get stronger and to change the makeup of his body. I know he's anxious to play. There aren't many players in the Missouri Valley Conference with his combination of size and skill."

Redshirt freshman Michael Miller, at just 6-6, has been described by McDermott as the strongest player on the squad, breaking all strength records for inside players in the spring.

"Mike's challenge is that he is somewhat undersized to play the center position," McDermott said. "He's been working on his perimeter skills to make the move to power forward, but we will likely use him inside because of his good feel for the game around

the basket. He is a very physical player that likes to compete.

"We're excited as a whole about our front line," McDermott added. "We think the combination of the people we'll have ready to play will allow us to put some different looks on the floor."

## GUARDS

UNI loses Andy Woodley, who finished his career as the league's fifth-best active career leader in assists (243) and first in career steals (159). Also gone is defensive specialist Erik Smith, now a student assistant with the Panthers. Smith was captain of the league's Most Improved Team last season and UNI's fourth-leading scorer (10.3). Leading scorer Robbie Sieverding (17.1) also has graduated.

Returning to the guard court is sophomore Chris Foster who was named to the conference's All-Freshman Team after averaging 12.6 points, third-high on the team, and a team-high 1.5 steals. At 5-10, he also was the second-leading shot blocker with 10 total.

"At point guard, Chris did a good job for us last season, having not grown up playing that position," McDermott said. "However, we would like to get Chris off the ball and move him to off guard so his concern can be putting the ball in the basket rather than running the team."

The job of floor leader could fall on the shoulders of Lincoln Trail Community College transfer Keyonn Tutt, who plays much bigger than his 5-6, 163-pound frame might indicate. He was recruited to do just that — lead the team.

Tutt averaged 7.9 points and four assists his freshman year and 11.1 points and 4.4 assists last season in only seven games, a year shortened by a knee injury.

"Keyonn plays with tremendous energy," McDermott said. "He gets the ball from one end of the floor to the other about as fast as anyone I've ever seen. We want to play an up-tempo style of game and we felt like we needed someone in that spot that fits our system. He can shoot the basketball from the perimeter and change the game defensively with his quickness."

Wisconsin transfer Pete Schmit played in just five games for the Badgers but turned out to be one of the most pleasant surprises for the UNI staff in practice last year.

"Pete never is intimidated. He ran the scout team last year and most days the scout team was very competitive with the team we were putting on the floor," McDermott said. "That was due in large part to Pete's leadership and how he ran the team. He shoots the ball very well, has a good understanding of the game and his ball handling is almost flawless. I know his teammates have a lot of confidence in him."

"The combination of Keyonn and Pete and the ability to move Chris to point guard if need be gives us three quality point guards with college playing experience."

McDermott and his staff also are excited about two freshmen — Ben Jacobson and John Little. Jacobson played for the state champion Sioux City (IA) East High School team. He was a first team all-state selection and was named captain of the state all-tournament team. He averaged 22.4 points, 8.9 rebounds and 6.4 assists as a senior.

Little played for Richwoods High School in Peoria, IL, a team that was ranked in the top 10 the last three seasons with two trips to the state tournament. He averaged 17 points, five rebounds and four assists for his 24-5 team as a senior.

"Both Ben and John could see some minutes at the off guard position," McDermott said. "Ben is a great scorer. He scores off the dribble and can shoot the three-point shot. He was forced into playing the point guard position his senior year. I think his ball handling and his feel for the game have improved because of that experience. He plays with no fear. Like Chris, he's the kind of player who wants the ball in his hands at the end of the game."

"What we are hoping to gain from John is a presence defensively," McDermott added. "We need someone who can step in and play the role that we're losing with the graduation of Erik Smith. He's a very capable defensive player and at the same time, shot 40 percent in high school from the three-point line. He's a good athlete and works extremely hard."

Also looking for playing time are walk on seniors Ryan Paulsen and Josh Wright. Both have seen limited playing time during their careers, but both provide valuable assistance on the scout teams.

"Ryan and Josh have been a very important part of our team," McDermott said. "They've been ready when their number has been called in game situations. They work hard in practice every day to prepare our team for competition. They have a tremendous attitude."

## WAITING IN THE WINGS

The Panthers have added two transfer athletes who will have to sit out this season — 6-3 sophomore guard Erik Crawford and 6-7 sophomore forward Adam Salow.

A graduate of Tartan High School in Oakdale, MN, Crawford started 29-of-33 games as a true freshman at Bowling Green State last year. Salow, from Manchester, IA, started 20-of-28 games a year ago at South Alabama.

## Panthers Surpass Expectations

### Panthers Surpass Pre-season Expectations:

The seventh-seeded UNI men's basketball team completed its season with an 80-65 loss to co-Missouri Valley Conference champion and second-seed Creighton in the quarterfinals of the Valley post-season tournament. The Panthers advanced to the quarterfinal round with a 78-75 win over 10th-seed Evansville in the play-in round.

UNI, picked to finished 10th in a pre-season poll of head coaches, sports information directors and media, stunned the league by jumping out to a 4-0 lead in the conference. The Panthers won for the first time at Bradley to open the conference slate, defeated Drake and the previous year's champion, Creighton, at home, then picked up their first win at Indiana State. All this followed wins over William & Mary, Montana, Wisconsin-Green Bay and then 11th-ranked Iowa. They also defeated co-champion Southern Illinois along the way.

However, a lack of depth and size eventually wore the Panthers down and they ended up losing their last four regular-season games heading into the conference tournament. The victory against Evansville in the play-in game represented UNI's first win over the Aces in 11 contests.

UNI's six seniors provided the foundation for the successes that the squad did achieve. All five primary starters finished with double-figure scoring averages.

Senior guard Robbie Sieverding was named first team all-conference, the second year in a row a Panther was named to the first team. Sophomore forward transfer David Gruber was an honorable mention pick and was named to the league's All-Newcomer team, freshman guard Chris Foster was named to the All-Freshman team, while senior guard Erik Smith earned captain honors of the Most Improved Team.

**Slow Starts:** As the season progressed, the Panthers suffered through slow starts. UNI was out-scored 973-943 in the first half and was 3-13 when trailing at the half as compared to 11-2 when leading at intermission. It also was 1-7 when shooting under 40 percent from the field. The opponents did not shoot under 40 percent all season. UNI shot .429 in the first half (334-778), while the opposition shot .491 (368-750) in the first 20 minutes.

**Here's a Positive:** According to the NCAA, UNI was the fifth most improved team amongst 321 Division I teams through games of mid-February behind Texas Tech, North Texas, Florida Atlantic and Central Florida. American, Hartford, Marquette, Pennsylvania and UTPA rounded out the top 10.

**UNI Played Tough Schedule:** UNI's non-conference schedule was ranked the 59th toughest in Division I by *Basketball Times*, the fourth toughest

in the MVC behind Indiana State at 35th, Creighton at 41st and Illinois State at 51st.

**Where's the D, the O, the D?:** In the last eight-of-13 games, UNI's opponents shot at least 50 percent from the field, and UNI went 4-9 in that time span. In addition, the opponents made 9-of-207 baskets from three-point range (.435) in the last 13 games. UNI, on the other hand, shot at least 50 percent in only two of those games – 52.9 percent in the 81-67 win against Bradley and 51.9 percent in the win over Evansville – and made under 40 percent of its shots in five of the games. UNI also made 99-of-292 three-pointers (.339) in the last 13 contests and was out-rebounded 468-to-371.

**Bring on the Cameras:** The Panthers didn't seem to mind the glare of television lights. They were 5-3 while playing on television. They defeated Iowa, Bradley twice, Creighton and Drake before the lights.

**Vitale Takes Notice:** Dickie V took notice. The Panthers were mentioned in Vitale's Best of the Week article as the "Upset of the Week" following their upset of 11th-ranked Iowa on Dec. 4. "Is anything really a shock during this wacky start of college basketball?", Vitale asked. "Give credit to first-year head coach Greg McDermott as Northern Iowa comes up with the big W."

**Sieverding Forged Ahead:** Senior guard Robbie Sieverding ranked third on the Valley active career scoring list heading into the conference tournament and finished with 1,402 points. He ranked sixth on the three-point field goal list with 157 and was second in assists with 265. He moved into sixth place on UNI's all-time scoring chart and needed just 75 more points to move into the Top Five.

**Seeing Double:** Sophomore forward-center David Gruber, a transfer from Kirkwood Community College, recorded six scoring-rebounding double-doubles, getting his first as a Panther when he scored 10 points and grabbed 13 rebounds against San Diego State. In the two Red Raider Classic games, he tallied 18 points, had 16 caroms, made eight-of-16 field goals, and totaled four assists, one blocked shot and two steals. He grabbed his second double-double when he had 13 points and 10 rebounds in UNI's 87-67 win over Montana. He scored 12 points and grabbed 13 caroms at UMKC for his third double-double. He scored a career-high 22 points to go along with 12 boards in UNI's 78-76 win over 11th-ranked Iowa, and tallied 17 points and 10 caroms at Bradley. In the game against Creighton on Jan. 5, he scored 22 points and had 11 rebounds. He tied a career high with 13 rebounds against Illinois State. Gruber ranked as high as third in the nation in field goal percentage.

**Foster Career Days:** Redshirt freshman guard Chris Foster had a career day against William & Mary. Playing in only his second regular-season game since missing most of the previous season with a throat ailment, he scored a career-high 15 points against the Tribe on five-of-nine from the field, including four-of-five three-pointers, and one free throw. He also had a personal-best four rebounds, eight assists and five steals. In the two tourney games, he scored 24 points on seven-of-17 field goals, including five-of-nine treys, five-of-five free throws, and had six rebounds, 10 assists and eight steals. He exceeded his previous personal-best when he scored 16 points against UTPA.

He scored a career-high 18 points on seven-of-10 shooting from the field, a personal best for field goals, including tying a career-high four three-pointers, in 25 minutes of play at Butler. January 5th against Creighton, he re-set his career bests with 25 points on

10-of-20 field goals, including tying personal highs of four-of-11 three-pointers, and brought down a career-high five caroms. Not to be stopped, he scored a career-high 28 points in UNI's 81-67 win against Bradley on nine-of-14 from the field, including four-of-six three-pointers, and made six-of-seven free throws, also personal standards for made and attempts.

**Flying High:** Chris Foster was the team's second shortest player on the floor at 5-10, yet he was second on the team behind 6-11 Octav Morariu with 10 blocked shots. In conference games only, he led the team with seven blocks.

**Smith Pulled Double Duty:** Senior guard Erik Smith did a credible job of double duty for the Panthers. He normally was assigned the tough job of guarding the opponent's top perimeter player while at the same time providing points on the offensive end. In the first game against Drake, he defended Luke McDonald, who scored only three points in the first half while UNI took a 38-26 lead. Smith finished the game with 13 points himself on four-of-nine from the field and three-of-six treys, while McDonald tallied 20 points. In the second game against the Bulldogs, Smith held McDonald to only five first-half free throws. He finished with 12 points, four rebounds and two steals, with McDonald finishing with 20 points again.

He held Creighton's Kyle Korver, the Valley's Player of the Year, to only 13 points in the first game, including five in the first half, while scoring a career-high 20 points on personal-best seven field goals and six treys while also bringing down four rebounds and dishing out three assists. In the second game, Korver did not even attempt a field goal for the first time since Feb. 4, 1999. In the conference tournament game, Korver was only one-of-three from the field.

In the 69-64 win over Southern Illinois, Smith held Saluki leading scorer Kent Williams to only 12 points, four in the first half, while scoring 12 himself.

**Crunch Time:** True freshman Matt Bennett was UNI's most productive player coming in off the bench and hit some critical shots in his limited playing time. He hit a three-pointer with four seconds left in the half against Southern Illinois, giving UNI a 32-29 lead at the break. The Panthers went on to win the game 69-64. His three-pointer with 10 seconds left in the half in UNI's 77-71 win at Drake put UNI up 38-32. At Evansville, he tallied 10 points on four-of-six from the field, including personal-bests two-of-three three-pointers. Against Illinois State, he made a personal-best three-of-four treys and tied a career high with 12 points total.

In the regular-season finale at Wichita State, he scored a career-high 14 points on five-of-10 from the field, including two-of-five treys, and was two-of-four at the line to go along with three rebounds. He averaged 10.4 minutes and shot 40.6 percent from the field, but a higher 45.8 percent from beyond the arc, with 11-of-24 treys.

**At the Stripe:** The Panthers shot 73.3 percent at the line after making 73.7 percent of their charity tosses earlier in the year. That was a vast improvement over

the previous season's 62.8 percent. Robbie Sieverding made a team-high 86.2 percent (168-195) of his free throws.

According to STATS, Inc., UNI ranked as the seventh most improved free throw shooting team in the country through mid-February behind American, Pennsylvania, Denver, Washington, Ball State and Loyola Marymount.

**In Stitches:** UNI senior forward Aaron Middendorf might have had the league record for stitches. "Middy" received three stitches on the side of his head at Southwest Missouri State on Feb. 16 and for the season, he received a total of 21 stitches in his head in three separate mishaps.

**As Middy Went, So Went UNI:** Senior forward Aaron Middendorf tallied 14 points against San Diego State at the Red Raider Classic on six-of-11 field goals and one free throw and had five rebounds. Against William & Mary, he scored nine points, brought down seven rebounds and had two assists. He finished as UNI's second-leading rebounder with 5.3 per game and picked up only his second double-double of his career against UTPA when he tallied 12 points and 12 rebounds. In the second game against Illinois State, he earned his third double-double with 15 points and 10 caroms. "Middy" ranked sixth amongst active conference players in career rebounds with 478 and was sixth in steals with 100.

**OT Not the Way to Go:** UNI picked up an overtime win, 85-79, Jan. 5 against Creighton and Feb. 12 against Wichita State, 83-75. In the last five years, the Panthers are 7-7 in overtime games.

**Bench Scoring:** UNI wasn't able to get much production from its bench, having been out-scored 636-263. The Panthers had an edge off the bench scoring in only two regular-season games – 20-15 in a loss at Butler, and 41-28 in the 86-74 loss at Wichita State.

The bench provided valuable minutes in the win over Southern Illinois, even though it was out-scored 22-14. True freshman Matt Bennett hit a key three-pointer with four seconds left in the half to give the Panthers a 32-29 lead at intermission and he added two rebounds, one block and one steal in seven minutes of play. Senior Octav Morariu made all three of his field goals and one free throw for seven points, brought down four rebounds and had two blocks in 16 minutes of action, critical with David Gruber in foul trouble and playing only 19 minutes. Junior Blake Anderson added four points, three rebounds and one block in eight minutes of action and he had six points, including four-of-four at the line, two rebounds and two blocks in the second Bradley win.

In the overtime win over Wichita State, Anderson tallied seven points on three-of-six from the field and hit on his only free throw attempt. He also brought down a career-high seven rebounds in 18 minutes of play.

At Creighton on Feb. 9, the Bluejays had 52 points off the bench compared to only 28 for UNI, the most points coming off the bench for the Panthers.

## GAME 9

**BUTLER 77, UNI 65**

**DEC. 15, 2001**

**INDIANAPOLIS, IN**

UNI trailed 46-33 at the half despite shooting 50 percent (13-26) from the field, including three-of-nine three-pointers, and four-of-seven free throws, but Butler made 64 percent (16-25) of its shots, including six-of-nine treys, and was eight-of-eight at the line. After trailing by as much as 22 points, 62-40 with 11:04 left in the game, UNI fought back to draw within nine points at 72-63 with 2:31 remaining. The comeback effort was fueled by redshirt freshman Chris Foster's play off the bench. Foster scored a career- and game-high 18 points in 25 minutes of play. He had only three points at the break but made three-of-four of his three-pointers, tying a career high, after Butler took its 22-point lead, and his last at the 5:41 mark pulled the Panthers within 70-57.

## GAME 11

**UNI 71, DRAKE 56**

**JAN. 2, 2002**

**UNI-DOME, CEDAR FALLS, IA**

UNI's victory gave it eight wins on the season, one more win than captured all of the previous season. The 15-point margin was the widest between the two teams since UNI defeated Drake 83-57 in the 1998-99 season. All five Panther starters scored in double figures, the second time to have that occur so far in the season. The Panthers took control of the game early, grabbing a 23-9 lead with 12:42 left in the first half. They led by as much as 59-32 with 11:15 remaining. The game was costly, however. Senior guard Andy Woodley played only three minutes after turning the same ankle he broke two years previous.

**UNI-DOME, CEDAR FALLS, IA**

Freshman guard Chris Foster scored a career-high 25 points on personal-bests 10-of-20 from the field. He had 15 points at the half. He also brought down a career-high five rebounds. David Gruber picked up his sixth scoring-rebounding double-double. The league's leading field goal percent shooter didn't hurt his numbers any after recording eight-of-10 shots. UNI's largest lead of the second half was 46-35 with 18:04 left and it still led 63-53 with 8:37 remaining. Creighton went on a 12-1 run to take a 65-64 lead with 6:28 left in regulation. UNI led 73-71 with 1:54 remaining on a three-pointer by Erik Smith, but CU tied the game with 25 seconds left to send the game into overtime. Robbie Sieverding's jumper as time expired failed. CU made the first bucket in OT, and never led again.

### UNI-DOME, CEDAR FALLS, IA

# HISTORY

# COACHING HISTORY

## CHARLES PELL (1903-06)

Though UNI's basketball history dates back to 1900, partial records exist only before 1905. Charles Pell was the first coach to lead a team for more than one season when he compiled an 11-12 mark between 1903-06.

## R.F. SEYMOUR (1906-09)

R.F. Seymour's three-season record was 14-15, with his best mark coming in his first campaign when he finished at 5-4. One of the highlights was a 53-27 win over in-state rival Drake in 1907-08.

## L.L. MENDENHALL (1921-24)

Former athletic director and head basketball coach L.L. Mendenhall, a member of UNI's Hall of Fame, still holds the record for best percentage when he compiled a 27-7 record (.794) from 1921-24.

His best season was 1922-23, when his team finished 10-1 overall. The school joined the Iowa Conference during his tenure, in 1923.

## ARTHUR D. DICKINSON (1924-32, 1933-37)

Another UNI Hall of Famer, Dickinson is perhaps best known as a track coach and for the still-running Dickinson Relays held at UNI's UNI-Dome.

## O.M. "HON" NORDLY (1937-43, 1945-54)

With a tenure interrupted by World War II, Nordly compiled a 166-127 record and won five conference titles, the first conference crowns earned in school history. His teams also beat Iowa State for the first time, defeating the Cyclones 38-29 in 1938-39. He's a member of UNI's Hall of Fame.

## JAMES WITHAM (1956-61)

Former athletic director and UNI Hall of Famer James Witham won 63 games and lost 49. His last two seasons, he compiled records of 15-8 and 16-5, helping to set the stage for UNI's approaching glory years.

## NORM STEWART (1961-67)

Former Missouri head coach and UNI Hall of Famer Norm Stewart compiled a 97-42 record, won two conference titles and took the Panthers to two NCAA Tournaments. The team

finished 23-4 in 1963-64, a tied record that still stands for games won in a season. His teams beat Iowa State twice — 59-54 in 1963-64 and 54-50 in 1964-65.

## ZEKE HOGELAND (1967-73)

Hogeland compiled a 70-74 record, with three straight winning seasons before falling to 6-20 in 1970-71, 10-13 in 1971-72 and 11-13 in 1972-73.

## JAMES BERRY (1973-86)

Jim Berry still holds the mark for having coached the most games in Panther basketball history at 354 after compiling a 144-210 record. His tenure is best known for taking UNI into the NCAA

Division I ranks in 1980. He catapulted the Panthers into the Division II playoffs in 1978-79, ending with an 18-11 record, and the team just missed a NIT berth in 1983-84 when it finished 18-10 overall, the same year UNI defeated Wisconsin and Kansas State.

## ELDON MILLER (1986-98)

Former Ohio State head coach Eldon Miller compiled a 164-178 mark with the Panthers. He led the Panthers to their first NCAA Division I tournament in 1990, the same year they defeated Iowa in the UNI-Dome before a state-record crowd of over 22,000. The

Panthers joined the Missouri Valley Conference during his tenure. He was named the Valley's Coach of the Year in 1997.

## SAM WEAVER (1998-2001)

Sam Weaver has the unflattering position of having one of the lowest wins-losses record as a UNI coach, but what isn't obvious from the record is that his tenure was plagued by injuries to key players and defections. He resigned a year early and now is an assistant at Mississippi State.

# UNIVERSITY

## University of Northern Iowa

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students individualized attention, yet large enough to provide a variety of resources, including distinguished faculty.

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal stud-

ies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 13,926 students in the fall of 2002, down by about one percent after four consecutive years of record enrollments. Students come from every county in Iowa and about 92 percent of UNI's undergraduate students are residents of Iowa.

The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

### Highlights

- UNI has ranked second in Midwest top public comprehensive universities by U.S. News and World Report for six consecutive years.
- The 2002 Sears Directors' Cup ranked the UNI Panther athletic program 25th in the nation at one point last spring. Presented annually by the nation's athletic directors and sponsored by Sears, the Cup honors institutions that maintain a broad-based program and achieve success in men's and women's intercollegiate athletics.
- UNI is the alma mater of NFL and Superbowl MVP Kurt Warner, as well as U.S. Sen. Charles Grassley.
- UNI's Residential Network, ResNet, provides high-speed network computing to students living in the residence halls.

● UNI students are active and involved with more than 180 student organizations, including special interest clubs, sororities and fraternities, religious groups and academic groups.

● The UNI Wellness/Recreation Center, attached to the north side of the UNI-Dome, features the highest climbing wall in the Midwest, two pools, a running track, weight and fitness rooms, and courts for basketball, volleyball and racquetball.

### Student Profile

Average age of undergraduates: 21.5  
Average age of graduate students: 34.1

## **DR. ROBERT KOOB PRESIDENT**

Robert Koob, a Northern Iowa alumnus, returned to his alma mater in August of 1995 as its eighth president. A 1962 graduate of what was then State College of Iowa, Koob was named president July 1, 1995, by the Iowa State Board of Regents.

Koob had been a senior vice president and vice president for academic affairs at California Polytechnic State University at San Luis Obispo, CA, since 1990.

Prior to his position at Cal Poly, Koob was vice president of academic affairs at North Dakota State from 1985-90 and he served a one-year term as interim president from 1987-88.

At Cal Poly, Koob was director and chair of the Cal Poly Foundation and served on a number of CSU

system committees, including the CSU Commission on Telecommunications Infrastructure.

He began his teaching career at North Dakota State in 1967 as an assistant professor of chemistry, advancing to professor of chemistry in 1972. He served that institution in several capacities before assuming the vice presidency. He was chair of the chemistry department for six years, and acting chair of the physics department one year, as well as Dean of the College of Science and Mathematics from 1981-84.

Koob graduated from State College of Iowa with a bachelor's in Chemistry and earned his Doctorate in Chemistry from Kansas in 1967. He and his wife, Yvonne, have seven grown children.

## **RICK HARTZELL DIRECTOR OF ATHLETICS**

Rick Hartzell was named Director of Athletics at Northern Iowa August 9, 1999.

In the three years since his appointment, the Panthers have celebrated outstanding performances in almost every sport. The volleyball team advanced to the NCAA Sweet Sixteen for the first time in school history in 1999, the wrestling team placed 11th in the NCAA Tournament, its highest finish since 1994, and crowned its first Division I national champion in 2000; while the men's track team has won both the conference indoor and outdoor titles. UNI's second-place finish in the Missouri Valley Conference All-Sports Championship race in 2001-02 was its highest finish ever in this competition. Other successes can be claimed across the board. In addition, UNI's student-athletes are graduating at a rate higher than the general student body.

Hartzell has been heavily involved in several facility upgrades, including the development of the McCleod USA Center, a new arena which eventually will house the men's and women's basketball programs, and volleyball and wrestling teams. Plans also are moving forward for a Human Performance Center that will house an athletics weight room, training rooms, team rooms, locker rooms and offices. The scope of the fundraising for UNI athletics has been widened under Hartzell's direction.

He also has stressed closer departmental involvement with the student body, and a new ticket package for the University community is one result of that interaction. The Panther Pass ticket package for UNI students enhances student involvement in the athletic program. Further, Hartzell completed departmental reorganization and a renewed outreach effort to the University and Cedar Valley communities.

At the press conference announcing his appointment, then UNI Vice President for Administration and Finance, John Conner, said, "Rick is a bright, articulate team-builder with a highly developed sense of the contribution inter-collegiate athletics makes to the quality of the entire Northern Iowa community. He brings not only exceptional experience in athletic programming, but a strong personal relationship and loyalty to Panther athletics."

Prior to being named at UNI, Hartzell had been at Bucknell since 1988, directing a Division I program with 1-AA football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure.

Prior to being named at Baltimore County, he was an Assistant Athletic Director for Football and Men's and Women's Basketball at Northwestern University from 1982-85; was an Administrative Assistant to the Director of Athletics and Assistant Baseball Coach from 1980-82 at the University of Iowa; and an instructor, assistant football coach and head baseball coach from 1977-80 at Coe College.

He recently received the All-American Football Foundation's General Robert Neyland Outstanding Athletic Director Award.

Hartzell is no stranger to UNI. He played football and baseball for the Panthers. He received his bachelor's degree in Physical Education and English from UNI in 1974, and his master's in Educational Administration in 1977.

He was a five-sport letterman at Klemme, IA, High School.

He has two children — Nate, 21, a student at Hawkeye Tech, and Amanda, 19, a junior student and basketball player at UNI. Hartzell's personal interests include reading, fitness, auto racing and spending time with family and friends.
